

In 2020, Charlie Johnston founded a nationwide organization called the **Corps of Renewal and Charity (CORAC)**, which is a grassroots effort dedicated to defending the traditional values of faith, family and freedom. CORAC is actively connecting communities, heartening the faithful, collaborating to publicly stand for our core values, and prudently preparing to help those in need in these uncertain times. From sideline support, to participating in local events, joining a team, sharing your knowledge and more, there are many ways you can stand with them for faith, family and freedom and make a real difference. More information [HERE](#) and [HERE](#).

EXCERPT FROM RECENT BLOG POST BY CHARLIE JOHNSTON: Nov. 2, 2022- ...I have played a command role (campaign manager or chief strategist) in over 100 campaigns.... I have never seen the sort of flailing, frantic, vicious, counter-factual insanity the Dems are playing this time around.... Traveling across the northern end of the country, I have been astonished at how few political signs I have seen this late in the game, until I got into New England. Even there, the signs carefully conceal what party each candidate belongs to.... I have attributed the lack of signs in most places as a lack of Democratic enthusiasm and Republicans fearful of being firebombed by the *tolerant* left. What rational conservative would answer any poll anymore...

Pray that Republicans do not deceive themselves that they have suddenly become THAT popular, but understand they have benefitted from the self-immolation of a once-great political party. Then get to work making this a self-governing Constitutional Republic of the people, by the people and for the people once more.....

The fact is we have ceased to be as Godly a people as we once were. Our leaders come from that ungodly pool. We will not become a Godly people again by choosing new secular leaders. We will get good leaders again when they come from a pool of genuinely Godly people. So the great challenge before us is to become a Godly people once more....

BE NOT AFRAID: *Beloved, do not be surprised at the fiery ordeal which comes upon you to prove you, as though something strange were happening to you. But rejoice insofar as you share Christ's sufferings, that you may also rejoice and be glad when his glory is revealed. (1 Peter 4:12, 13)*
